

# ARTESIAN TIME TUNNEL

## GROUP TRAVEL PRODUCT SHEET

### PRODUCT DETAILS

The Artesian Time Tunnel is an engaging and interactive experience located at the Cunnamulla Fella Visitor Information Centre. Visitors are taken on a chronological journey through time. Exhibits incorporate a number of themes including the Artesian Basin, the history of opal mining and local dinosaur discoveries. Visitors are kept entertained with a combination of interpretive graphic panels, moving display elements, multimedia screens and oral history recordings. The Centre also features a history museum and art gallery. These are accessed as part of the Artesian Time Tunnel entry.

**Facilities:** Gift Shop; Coach Parking; Toilets; Wheelchair Access; Air-conditioning; WiFi; Barbecue; Picnic Area

### GROUP TOURS

#### SELF-GUIDED TOUR

Step inside the mock opal mine lift, then as it lurches to a start, watch the clock spinning backwards in time as images scroll in the lift windows. On leaving the lift, feel the blast of cold air and dinosaur shrieks as you enter the tunnel. Moving through the experience, you'll meet 'Doug the Rigger' and view engaging audio visual displays telling the region's opal mining history. Discover how the Great Artesian Basin was formed and how significant events shaped the region.
