

# HOTEL CORONES TOURS

## GROUP TRAVEL PRODUCT SHEET

### PRODUCT DESCRIPTION

You could be mistaken for thinking the history behind Hotel Corones and its founder was taken from a Hollywood script. Arriving in Australia penniless, Harry Corones went on to make Australian history, not once, but several times throughout his life. He was granted permission to use the royal insignia on the hotel's crockery, hosted many famous guests, and much more. Built in stages, the hotel was completed in 1929 at a cost of £50,000 during Charleville's wool industry boom. With its jazz hall, embossed plaster ceilings and en-suite bathrooms, it was considered an oasis for graziers, wool-buyers and commercial travellers.

**Facilities:** Restaurant; Coach Parking; Toilets; Accommodation
